## GATES IN WILL **GIVES BEQUESTS**

cier Went to Europe.

GREAT FORTUNE TO SON

Testamen: Disposing of \$40,-000,000 or \$50,000,000 to Be Filed in Texas.

esterday in Paris after a lingering illness, will be probated in Port Arthur, day at the offices of Byrne & Cutcheon, lawyers of No. 24 Broad street, which firm has custody of the last will and testament made by Mr. Gates. It is

The police version, obtained from the inderstood that the bulk of the property will go to "Charley" Gates, his good-natured son, who is inexperienced in business. The fortune is estimated at between \$40,000,000 and \$50,000,000.

"I could not discuss Mr. Gates's will without the consent of either ms Cutcheon. "I have not looked at it for time. But as you seem to have office, I will not deny that we drew such a document." "Were any bequests made outside of

but I will say that the public knew er little of the real Mr. Gates. More han thirty families are dependent upon checks mailed monthly at the instance fast.

It is understood that all of these families are benefited by this will.

and accurate account of the development of the West must write a history boy did not seem to be badly hurt. His of John W. Gates and men of his father came runing up and the chaufstamp," said John F. Harris, a banker | feur tried to give his name and the of No. 15 Wall street, Mr. Gates's most name of his employer. Several persons intimate friend on the New York Stock took the number of the car and the Eachange. Mr. Harris said that the chauffeur took the names of three body of Mr. Gates will be given a final resting place in the little cemetery at West Chicago in the lot where his par-

ents were buried.

"In the development of Port Arthur," bruised, he went on his way, reporting the matter to Mr. Helknap last even-Harris continued, "Mr. Gates ing." created a refrigerating plant, an electric light works, opened a national bank, built the Plaza Hotel of Texas, instituted a hospital, started a

commercial college, opened a wholesale grocery and organized cotton and lumber export companies, besides organiz-ing an experimental farm of three thousand acres. This is the work of the so-called 'stock gambler' in one locality -cather, I should say, the work of an

"In June I was with Mr. Gates in Paris and he rold me that he had his ngers in more than fifty different en-

"But it was the Texas Company that commanded his greatest in-terest. I am on his Board of Directors, and I speak authoritatively when I deny that the Standard Oil associated with us, and I am familiar with every name on our list of 1,300 stockholders.

Mr. Gates took charge of the Repub-

PANY ONE OF HIS CREATIONS. "His third great enterprise was the United States Realty Company, which somewhat reflects his untiring energy in the ownership of Nos. 111 and 115 Broadway, of the Flatiron Building, the Plaza Hotel here, and a part interest in the Broad Exchange Building, besides having more than \$25,000,000 worth of construction contracts, including that of the new Union Depot

for Kansas City.
"He was also iterested in the Moose "He was also iterested in the Moose Mountain project near Sudbury, Ont., where we are arranging to briquette 100,000,000 tons of iron ore. I have not touched on the other performances of Mr. Gates. They are well known. But the public should know the condition of the enterprises in which he was engaged at the time of his death."

#### GATES FUNERAL TO BE SATURDAY IN PARIS CHURCH.

PARIS, Aug. 10.-The body of John W. Gates, the American financier who dled here yesterday morning, will be embalmed and placed in the American church in the Rue de Berri until it can probable that the body will be taken o Mr. Gates's native land on the Kalser Withelm der Grosse from Cherbourg next Wednesday. This is the vessel on which Mr. Gates planned to return home the first week in July.

Funeral services will be held in the American church on Saturday, Mrs. Gates, who was prostrated by her hushand's death, recovered to-day and was \$100 Worth \$10 Down \$2.00 Weekly able to receive several of the dead financier's friends who called to express their condolences. Scores of tele-grains of condolence from America have reached Mrs. trates at the Hotel Meur-

"Charley" was the last word spoken by Mr. Gates before his death. The American financier spoke feebly to his son, who We Pay Freight & Railroad Fare was weeping by his bedside. Then Mr. Gates became unconscious and so remained for several hours until the end at 5.10 A. M. His wife, who came from New York with him, embraced him as

## **BOY AUTO VICTIM** JUMPED IN WAY.

to Mortal Injury.

An Evening World reporter learned to-day that the automobile which ran down and possibly mortally injured nine-year-old James Newman, in Fiftysecond street, off Fifth avenue, yesterday afternoon, is the property of Waldron Belknap, a real estate and mortgage broker at No. 10 East Thirty-third street, residing at No. 112 East Eightieth street. Mr. Belknap and his family are spending the summer at their country The will of John W. Gates, who died place on Staten Island.

In the automobile at the time of the accident were Mr. Belknap's wife, two For., where the financier made his rest- of her women friends and the chaufdeace. This much was ascertained to- feur. According to the story told at of the accident is not accurate, and it is not true that the chauffeur ran

> father of the injured boy, is that the automobile party lingered only long enough to drag young Newman from between the mudguard and hood of the car. It also appears from the police report that the number of the car, 30,051, was obtained with difficulty by bystanders.

on business. Before starting he told advices from Paris of its existence in persons of the accident, but was unaware that the Newman boy had a fractured skull.

"Mr. Belknap," said a man in the office, "said the chauffour turned the car "That I could not say," was the reply, west into Fifty-second street from Fifth avenue. An ice wagon was approaching from the west. The car, the chauffour and Mrs. Belknap said, was not going

ice wagon. As the front of the car was almost abreast of him the boy jumped PART PLAYED BY GATES IN THE off and started across the street on the DEVELOPMENT OF THE WEST.

"Any one who writes an intelligent the mudguard and partly by the hood.

"The chauffeur stopped at once. The witnesses, who said he was not to

bruised, he went on his way, reporting

Young Newman is under the care of two doctors. His condition is precari-

ous.

Although Newman gave the police the number of the car yesterday after-noon, not an apparent step had been taken in the case. Seemingly no police official thought it worth while

#### TALKED TO GIRL TOO LONG.

Policeman Says She Stood Alongwide to Get Courage.

Patrolman Edward J. Willog of the Elizabeth street station was fined one day's pay by Deputy Commissioner Dil-Hodgins, who charged Willoe with being female for eight minutes on July 20. In defense, Patrolman Willee said was standing on the corner of Cana street and the Bowery on that morning "Mr. Gates took charge of the Republic Iron and Steel Company at a time when it was loaded down with broken concerns—odds and ends that nobody wanted. He put his shoulder to the wheel, and, as with the Texas Company, when a million dollars was wanted for this or that purpose, it was forthcoming from Mr. Gates.

UNITED STATES REALTY COMPANY ONE OF HIS CREATIONS. courage in the eight minutes, but would fine Willoe one day's pay.
